We are proud sponsors of the 2017 Bainbridge Island Studio Tour! Hope to see you there.

The Studio Tour is a self-guided art tour with no admission fee. Regional artists join in to the winter art show, and sell their work at various Island artists' studios and historic community halls. Visiting these studios allow you to see some work in progress, raw materials, tools, and perhaps some inspiration. You'll enjoy meeting the artists to discussing their work and vision. One of these "original" hand-crafted works of art can truly make an unforgettable holiday gift!
