Real Estate Update

**WE ARE WORKING WITH A LOCAL LENDER WHO
CAN DO A HIGHER BALANCE JUMBO LOAN.....**

Good news! They now have a High Balance jumbo type loan option for Kitsap county. We have always been a bit hamstrung over here on Bainbridge with King county higher prices but Kitsap county loan limits. Not anymore.

This new loan program is sort of a hybrid between the Fannie Mae conforming jumbo loan (\$453,100 is the base for everyone) and a true jumbo loan. King county for example can go as high as \$667k before they hit true jumbo territory. Now Kitsap County has a high balance loan at \$679,650 without the jumbo loan costs.
