

# February On Bainbridge Island

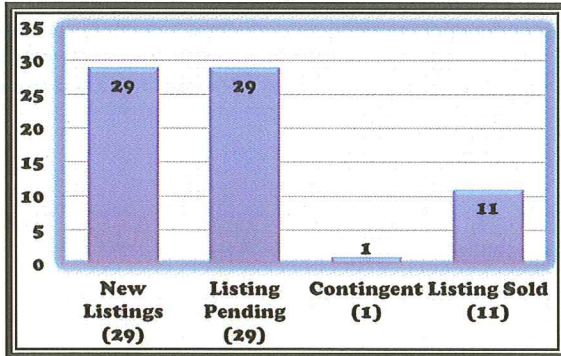

## MAKE A DIFFERENCE

Started in 2008 by Bainbridge Island's Housing Resource Board (HRB), **HomeShare** works at brokering agreements between potential home seekers and potential home providers. **HomeShare** matches those with space available in their homes who need extra income or help around their home or property with somebody who works on the island and is looking for affordable housing. **HomeShare** screens applicants, who must have a background check done, and matches them with local residents taking much of the burden off the homeowner.

## BAINBRIDGE BUSINESSES

For many Island residents, the Bloedel Reserve is a place to observe nature. Now, it's also a place to shop! **The Shop at Bloedel Reserve** sells books, candles and many other treasures. Lovely woven cedar baskets made by local artist Melinda West and beautiful block print cards by Yoshiko Yamamoto are just some of the unique items you can find. **The Shop** is open 7 days a week from 10-4.

## ISLAND HISTORIC TIDBITS

The gazebo on Winslow Green may be a fairly recent addition to the Green, but it's not new to Winslow. Formerly it occupied a spot on the corner of Madison & Wyatt near the old Hobbles & Hayes building. When that building was sold, the gazebo was donated to the city and for quite some time it sat behind the BPA, being used as storage for theatre stage props. The Winslow Green Condominium Association petitioned the city to have the structure moved to the Green in 2008, where it has resided ever since.
